Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

Dear Co-Chairs Helm and Owens, and Members of the Committee,

I oppose House Bill 3103 and its amendments. State forests and the state forest conservation plan are important to me and I don't want to see them scrapped. We need to increase protections for wildlife and nature, and decrease clearcuts. We need to do things that store carbon, not release it. Oregon's forests are very important to me as a place to hike and explore, and as a habitat for wildlife.

I urge you to oppose this bill. Please don't let it pass out of committee.

Sincerely,

Erika Bury
