

Submitter: Yehudah Alan Winter

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3103

I'm in opposition of HB 3103 because it will undermine the protections of our State forests that we have worked so hard to put in place. Our forests are not solely a commodity to be harvested for the profit of a few but instead to be properly preserved for the heritage of generations yet to come.
