

Submitter: Gina Norman

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3103

Our forests are a valuable and complex resource that cannot be destroyed by prioritizing logging and money.

Research and many studies have demonstrated that the complex functioning of our forests is vital in protecting biodiversity and watersheds. A more balanced program that encompasses the many benefits of forest stewardship MUST be adopted.
