On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

Forests are more than possible board feet of cut trees. HB3103 would prioritize timber harvests over policies that protect fish and wildlife habitat, clean water and recreation. HB3103 would not allow ODF to use the State Forest Habitat Conservation Plan to prohibit clear cuts in habitat protected by the HCP.
