

Submitter: Tracey Ellison

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB1003

All life is God given and valuable. Before we were created, God had numbered our days. It is God who determines the length of our life. The vulnerable must be protected and encouraged rather than being guided to take their own life. The government should not be enabling death options. Our state must take pro life stances and turn to God for mercy and forgiveness.
