

Submitter: Robert Egnor
On Behalf Of: Voting citizen and tax payers
Committee: House Committee On Commerce and Consumer
Protection
Measure, Appointment or Topic: HB2528

I am writing to oppose this bill because there should never be a time when a beaurocratic agency has the ability to raise taxes without going through the proper legislative process.

Taxation without proper representation is theft and shouldn't be recognized as an acceptable practice. Our Governor should never promote the use of this kind of tactic. The fact she does shows she doesn't care about her voting constituents and has no issue silencing their voices.
