Asinine is the only way to describe this. Our Republic form of government is based on an educated and well informed citizenry. NO ONE can say with a straight face that is the case with 16-17 yr olds! Mentality of teenagers are selfish & self serving, as a group, they are not yet responsible citizens to vote on public matters. These kids aren't even tax payers so they don't have any "skin in the game". NO NO NO!!
