Measure, Appointment or Topic: HB3103

Dear Co-Chairs Helm and Owens, and Members of the Committee,

I oppose House Bill 3103 and its amendments. This timber industry bill undermines the state forest habitat conservation plan and would result in more clearcuts, more lawsuits, less habitat for salmon and wildlife, and less carbon storage.

WE DEPEND UPON SPRINGS THAT COME FROM THE FOREST - 15 HOMES
WILL GO DRY IF THEY CUT CUT CUT. FOR GOD'S SAKE STOP THEM! WE
NEED OUR HERITAGE FORESTS PLEASE PLEASE PLEASE SAVE OUR ELDER
TREES!

I urge you to oppose this bill. Instead, I encourage this committee to focus on measures that would increase carbon storage in our state forests and safeguard our public resources for our children and future generations.

Please don't let this bill pass out of committee.

Sincerely,
