

Submitter: Sean Anderson

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3103

I have worked in the forests of western Oregon for private organizations and federal agencies. I have worked intimately with timber harvest while protecting for other values in the forest; water quality, wildlife, habitat, biodiversity and so on

This bill goes directly in the face of all values in our ecosystem, including timber. This kind of harvest is for short term gains only and will devastate our Oregon forests.
