Measure, Appointment or Topic: HB3103

Dear Co-Chairs Helm and Owens, and Members of the Committee,

I oppose House Bill 3103 and its amendments. Oregon is a beautiful state that needs to be protected from greedy corporate interests. This timber industry bill undermines the state forest habitat conservation plan and would result in more clearcuts, more lawsuits, less habitat for salmon and wildlife, and less carbon storage.

Please think of the future of this beautiful state and the legacy that we want to leave for future generations.

Please don't let this bill pass out of committee.
