Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB88

Dear Chair Sollman, Vice-Chair Brock Smith and Members of the Committee,
My name is Karen Galloway and I live in Portland . I'm writing in support of SB 88 to make sure advertising, legal and lobbyist fees come out of company profits not rate payer pockets.

I support SB88 because I am retired and on a fixed income. I do my part daily to consciously manage the power I use and still rates rise. So I move my budget around, tighten up, to accommodate the increase. I believe the corporate utility companies also need to tighten their budgets and stop expecting consumers to pay for their cost of doing business. I believe fair is fair.

Thank you in advance for your support of SB88.

Sincerely,
Karen Galloway
