

Submitter: Michael OBrien

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

I oppose House Bill 3103, because it is so important to protect our remaining forests in our time of climate crisis. Forests are already stressed by heat, dryness, insect infestations, wildfires and human occupation. I want the state to protect what remains and nurture it, not cut it.
