On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

I urge you to reject house bill 3103 which would force the department of forestry to log our public forests.

The state Forest HCP was developed with years of public input, and the courts have upheld Oregon's right to manage these forests for multiple benefits.

Please consider people over profit

Thank you, Daveed Fleischer
