

Submitter: Cathy Masch

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

Oregon forests are precious. I have loved them for 8 years and want future generations to be able to experience forest, wildlife and clean air. We need these trees and forests for a quality life. Please think of the future and the many forms of life that share these beautiful lands.
