

Submitter: Mark Vroman
On Behalf Of: Hampton
Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water
Measure, Appointment or Topic: HB3103

I am in support of this bill for the following reasons:

- Establish and publish sustainable harvest levels that balance economic and environmental priorities.
- Develop a modern timber inventory model to track forest conditions and guide responsible management.
- Ensure timber sales align with sustainable harvest goals to support local economies and timber-dependent communities.
- Provide greater transparency and accountability in how our state forests are managed.

Thank You
