

Submitter: Linda Brown

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3103

Our forests must be protected for livability and enjoyment, but mostly for health reasons related to climate changes. Forest management that has evolved over the years; could benefit from more involvement from Indigenous Americans. Hear the public's voices!! Save our forests and help decrease losses from forest fires by supporting firefighters!!
