Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

I urge you to reject House Bill 3103. The State Forest HCP was developed with years of public input, and the courts have upheld Oregon's right to manage these forests for multiple benefits (County of Linn v. State of Oregon).

Public lands are for all of us. Our public lands need to be thoughtfully managed for future generations. House Bill 3103 is not thoughtful and allows reckless and unsustainable levels of logging to occur.

Thank you for your time.
