On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

Oregon's forests must be protected from unsustainable practices of the timber industry. Especially old-growth trees. It's ridiculous & highly irresponsible that Oregon even needs to have bills like HB 3103 which I totally support. The greed & shortsightedness of the timber industry is astonishing & reprehensible because the earth desperately needs all the trees & forests it can keep. Yes on HB 3103.
