On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

Please stop this reckless attack on our forests which ultimately barely benefits the local communities and instead lines the pockets of large corporations.

I urge you to reject House Bill 3103, which would force the Department of Forestry to log our public forests at reckless and unsustainable levels.

Oregon's state forests are meant to serve all of us. Now is the time to make it clear that these lands must be managed for clean water, wildlife, recreation, and future generations—not just logging.

Please reject HB 3103.
