

Submitter: Jennifer Sunseri  
On Behalf Of: The people of the great state of Oregon  
Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water  
Measure, Appointment or Topic: HB3103

Dear Co-Chairs Helm and Owens, and Members of the Committee,

I oppose House Bill 3103 and its amendments. This timber industry bill undermines the Western Oregon state forest habitat conservation plan and would result in more clearcuts, more lawsuits, less habitat for salmon and wildlife, and less carbon storage. It would also imperil key drinking water sources.

I urge you to oppose this bill. Think of our planet! Think of your children and your grandchildren! Think about the creatures of the earth rather than industry shareholders. Grow a pair of cajones and stand firm for our future!

**DO NOT ALLOW THIS EGREGIOUS BILL TO PASS OUT OF COMMITTEE!!!**

Sincerely,

Jennifer E. Sunseri

Sincerely,
