

Submitter: Bonnie Laux

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3103

I urge you to oppose hb 3103. Our forest should be a resource for all Oregonians not just the timber. Industry Trees are not just a resource to be exploited for profit.

Cutting and thinning can be done in a sustainable manner and that is the option that should be in place.
