

Submitter: Kenneth Barnes

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

I am 71 years old and have spent a good part of my life in Oregon Forest. While access is now micromanaged for the public, private commercial entities have gained unprecedented access to much of Oregon's forest. This is the opposite of how it should be. The forest are all Oregonians heritage. This bill is a common sense step in protecting our forest from exploitation. Please see fit to vote for it.
