

Submitter: Michelle Bienick

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

I am opposed to clearcutting of any kind. Forest management in Oregon needs a full revision. Clearcutting is ugly, irresponsible and I creates irreversible damage to the environment, and all its inhabitants. We are dealing with increased forest fires due clearcutting and replanting monoculture forests. Old growth trees are crucial to healthy forests and a healthy planet.
