Resources, and Water

Measure, Appointment or Topic: HB3103

Years of public input went into the State Forest HCP, and the courts have upheld Oregon's right to manage these forests for multiple benefits (County of Linn v. State of Oregon).

Oregon's state forests are meant to serve all of us. These lands must be managed for clean water, wildlife, recreation, and future generations—not just logging.

Please reject HB 3103.
