Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3103

Dear Co-Chairs Helm and Owens, and Members of your Committee,

I write to register the strongest possible OPPOSITION to House Bill 3103, including its amendments.

I am stunned that Oregon legislators are even considering. . .

\* THIS DANGEROUS BILL 3103 which would REDUCE rather than increase the Oregon rainforest's ability to remove carbon from air for the benefit of all Earth's citizens

\* THIS DANGEROUS BILL 3103 that UNDERMINES the long-term Habitat Conservation Plan, thoughtfully-designed to safeguard Oregon for future generations

\* THIS DANGEROUS BILL 3103 that ENDANGERS sources of safe, fresh water for Oregon citizens.

As a citizen of coastal Oregon, I plead with you to STOP THIS BILL IN COMMITTEE and start constructing legislation that will protect the air I breathe and the water I drink, please.

Sincerely,  
Phyllis Thompson
