On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

I urge you to reject HB 3103. A lot of study and time went into preparing a Habitat Protection Plan (HPC). Please do not disregard the hard-earned and sensible results of this plan by over riding it with HB 3103. Our forests are not an unlimited ATM for the timber companies and the state.

Sincerely,

Martha Pyne
