Measure, Appointment or Topic: SB88

Dear Chair Sollman, Vice-Chair Brock Smith, and Members of the Committee,

I am a resident of Portland and am writing in support of SB 88 to make sure that advertising, legal and lobbyist fees come out of company profits, not rate payer pockets.

I support SB 88 because for-profit, regulated utilities should not charge customers for their lobbyists, lawyers, advertising, and membership fees to big industry associations.

Thank you for your support of SB 88.
