

Submitter: Claire Houston

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3103

Co-Chairs Helm and Owens, and Members of the Committee,  
Our forests and land have more value as they stand than as a cash crop. Please  
protect our forest as habitat, watershed, and carbon sequestration, preserving this  
limited resource now and for future generations. I strongly encourage you to vote  
against HB 3103.

Sincerely,  
Claire Houston
