Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3103

I am in support of HB 3103. This is the only thing that will save our forests from the threat of wild fire. Do the right thing. Don't listen to the people who have spent years getting us into the position we are currently in. Please vote in favor of this bill Oregon's forests depend on it.
