On Behalf Of: myself
Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water
Measure, Appointment or Topic: HB3103

Co-chairs Helm and Owens and members of the committee,

I encourage you NOT to support HB 3103 .

This Bill

Will encourage the Department of Forestry to log our public forests at reckless and unsustainable levels.

It prioritizes clearcut timber harvesting at the expense of all other values for our state community.

Timber corporations are pushing clearcuts for their own greedy pockets not the best interests of the state.

It s adversarial for the state forest Habitat Conservation Plan.

Please do NOT pass this controversial and potentially devastating bill.

Thank you for your consideration.

P. Downing
