

Submitter: Karen Harris-Gipson
On Behalf Of: Self
Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water
Measure, Appointment or Topic: HB3103

I am writing in support of this bill. This state has a renewable resource that has been allowed to be squandered and destroyed all in the name of a bug, an owl, a rodent and the climate. The result has been either a false truth or environmental damage.
