

Submitter: JoAnn Mazzarella

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

Oregonians have worked long and hard to preserve our forests, and this bill will destroy those efforts. Please don't let this bill out of committee. It will encourage clear cutting, destroy habitat, and release carbon that is sequestered in our beautiful forests. Please oppose this bill and preserve our resources for future generations.
