On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure, Appointment or Topic: HB3103

Dear Co-Chairs Helm and Owens, and Members of the Committee,

I oppose House Bill 3103 and its amendments. This timber industry bill undermines the Western Oregon state forest habitat conservation plan and would result in more clearcuts, more lawsuits, less habitat for salmon and wildlife, and less carbon storage. It would also imperil key drinking water sources. Safe, clean and free of herbicides drinking water is critical, there have been many instances in Oregon where pollution of drinking water watersheds have made the water unsuitable for human consumption. Prioritize drinking water not timber industry profits.

I urge you to oppose this bill. Instead, I encourage this committee to focus on measures that would increase carbon storage in our state forests and safeguard our public resources for current and future generations.

Please do not let this bill pass out of committee.

Sincerely, Zeke Oman
