

Submitter: Meagan Golec

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB88

Dear Chair Sollman, Vice-Chair Brock Smith, and Members of the Committee,

My name is Meagan Golec, and I live in Portland. I am writing in support of SB 88 to make sure that advertising, legal and lobbyist fees come out of company profits, not rate payer pockets.

I support SB 88 because energy bills have skyrocketed over the past couple years. As climate change makes extreme weather events even more common, everyday Oregonians are facing higher consumption needs to heat their homes in the winter and cool their homes in the summer. Gas and electric companies should not be taking advantage of customers by charging customers more to cover the costs of advertising, lobbying, and lawyers. Those fees should be paid out of profits.

Thank you in advance for your support of SB 88.

Sincerely,
Meagan Golec
