Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water
Measure, Appointment or Topic: HB3103

We need proper management of our forest. Tired of having the forest closed because of fires. We need to support timber harvesting, it creates family wage jobs, and creates revenue. Its products are needed for housing. Instead of outsourcing what we have, lets utilize our forests. Not talking about clear cuts, but thinning, and decent management intead of having it burn and scar our lands!
