

Submitter: Mary Woolley

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

No tax on tires. I live in Bandon. We are a rural area as is a great deal of our state, we have to go use our vehicles for work, and to purchase goods to live. This tax will affect the most hard hit citizens by the already increased prices, taxes, etc. NO NOT DO THIS TO US!!!!!!!
