

Submitter: David Carlson  
On Behalf Of: Self  
Committee: Joint Committee On Transportation  
Measure, Appointment or Topic: HB3362

As an Oregon senior preparing to retire and live on a fixed income, I implore you not to impose this additional tax burden on the citizens you represent. We are already a state with higher than average taxes, and you would be serving your constituents well to be seeking ways to cut taxes, rather than adding to our already heavy burden.

Thank You,

David Carlson  
Newport, OR
