

Submitter: Rita Harmon

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

Vote No for tire tax. Oregonians have made it clear that we are not in support of sales or disguised sales taxes. This excise tax is simply a disguised sales tax. We are overburdened with taxes already and tire excise taxes will further harm families already struggling to make ends meet. It will cause costs for transportation, delivery, and goods to all increase unnecessarily. Please vote not on SB 3362
