Greetings Oregon Legislature....

I write in opposition to the 4% (or any amount) of tax on retail items including tires. This is a blatant by-passing of the will of Oregon Voters who have consistently voted in opposition of sales tax gimmicks. Oregon Voters deserve responsible, efficient, and transparent use of our state revenues. The incredible lack of transparency and poor performance outcomes relating to Oregon's Department of Transportation (ODOT), Department of Human Services (DHS), and the Oregon Department of Education (ODE) makes this bill laughable on it's face.

Respectfully,

DK
