

Submitter: Terri Forsyth

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

The government seemingly can't even use gas taxes for our roads except to screw them up by road diets that make things worse. Potholes are everywhere! If you are going to tax tires, the only logical place to spend the proceeds would be on our roads. However, I oppose it altogether, since government can't be trusted to use earmarked funds correctly. NO TAX ON TIRES! Thank you.
