

Submitter: Kay Scheel
On Behalf Of: Oregon Licensed Contractors
Committee: Joint Committee On Transportation
Measure, Appointment or Topic: HB3362

I am an Oregon State Licensed Contractor. I oppose the Tire Tax due to the fact that it unfairly targets hard working men and women who travel to job sites with trucks and trailers to make a living and support our families. The fuel prices we have to pay to transport or building materials includes a tax. I strongly oppose this NEW TAX.
