Measure, Appointment or Topic: HB3362

As a rancher and business owner in rural Oregon, I oppose HB 3362 which imposes an excise tax on retail sales of tires. This is another horrid tax bill for Oregonians. This tax funds would go to ODOT for mass transit and environmental programs and not for highways and roads which are in desperate need of repairs through out Oregon. Rural Oregonians are not privy to mass transit in our communities. Therefore, oppose this tax on tires! Thank you for the opportunity to comment on this issue.
