

Submitter: Maura Hayes
On Behalf Of: Oppose nuclear power plants in Umatilla County
Committee: House Committee On Climate, Energy, and Environment
Measure, Appointment or Topic: HB2410

Please oppose the development of any nuclear power plants until the safe storage and remediation has been concluded from the existing legacy of nuclear pollution at Hanford and other sites. The Columbia River is still at risk from stored nuclear materials from the last 70! Years or so.
