On Behalf Of: Mr Oregon OPPOSES SB 530
Committee: Senate Committee On Health Care
Measure, Appointment or Topic: SB530

I OPPOSE [SB 530 -1]. No Consumer Price Index adjustments due to inflation for you RHECs.

[SB 530 -1] promotes 'Systemic Racism" and does not treat everyone equally under the law. Why am I not surprised.

The Oregon Health Authority (OHA) must think they can fool the Federal Government by camouflaging a "Diversity, Equity and Inclusion (DEI) Plan" by switching the letters around and dropping one letter and calling the same, "Equity, and Inclusion (EID)." The 'D' in EID must be silent.

Is EID the same as DEI. [<https://www.oregon.gov/oha/EI/Pages/Committees.aspx>]

Regional Health Equity Coalitions (RHEC):

Question, "Does OHA receive Federal Funds?"

If yes, Elon and the DOGE Brothers might relieve OHA of those precious Federal greenbacks, again.

As to increasing, the RHEC 's request for 'Cost of Living Increases', due to inflation-Go Pound Salt.
