We are sick this tax and that tax! Reduce our income tax and then take it from there. Stop funding PERS with these nickel and dime taxes. Stop giving ODOT employees conference tickets and free perks to go on weeks long conferences on how to waste more of our money.

We don't need more taxes. Try being in our shoes for once, where we don't get free money. I've been unemployed since July 2024, and you want to tax me more??????

Aren't you already taxing me for city gas tax, property tax increases, art tax, income tax, CAT tax, tax tax, more tax tax.
