

Submitter: Debbie Nielsen

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

We the people of Oregon can not afford any new taxes or fees at this time. The budget needs to be carefully reviewed and reduced in many areas. Our State Representatives can no longer live like the Oregon workforce has an endless supply of cash for the State to fund non-essentials to people. Trimming the budget will be painful, but it must be done.

D. Nielsen
