

Submitter: Julie Brown

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB3012

Children who are 16 or 17 are not mentally prepared to vote on any issue. 18 is even pushing it. Most kids -even at 18- vote like their parents, rather than doing their own research. Let them continue to grow up before giving them any power to make decisions such as the ones decided with a vote.
