Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

I am contacting you to reject House Bill 3103. This bill benefits loggers and no one else. The State Forest HCP was developed with years of public input, and the courts have upheld Oregon's right to manage these forests for multiple benefits (County of Linn v. State of Oregon). Since Oregon's state forests are meant to serve all of us, these lands must be managed for clean water, wildlife, recreation, and future generations—not just logging.

Please reject HB 3103.
