On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

I urge you to reject House Bill 3103, which would force the Department of Forestry to log our public forests at reckless and unsustainable levels.

Now seems more important than ever to protect our state resources when our federal forests are at greater risk than ever.

Oregon's state forests are meant to serve all of us. Now is the time to make it clear that these lands must be managed for clean water, wildlife, recreation, and future generations—not just logging.

Please reject HB 3103.
