

Submitter: Jody Cunningham

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3103

We have one chance to protect our forests, streams and habitats and once they are gone, they are gone and will never be the same. Our forests do not belong to us, they belong to those who have yet to come. Therefore, I oppose HB 3103 because it is the right thing to do!
